

9.30.140 - Parking time limits.

A.

The traffic engineer is authorized to determine places in which there is public demand or necessity for short-time parking and to designate such places by proper signs indicating the time limit for parking.

B.

When official signs are erected indicating time limit parking in places as authorized in this section:

1.

Except as provided in subsection B.2 of this section, no person may stop, stand or park a vehicle in such designated place for a time longer than indicated on such signs.

2.

No person may stop, stand or park a vehicle that displays a valid handicapped parking permit issued or approved by the traffic engineer in such designated place for a time longer than 1.5 times the maximum time indicated on such signs.
